Terry Whitesell has supplied us with his e-mail addresses for any information we might find on his web site. He has lots of information on the Somers - Summers families, Whitesell families, Tate families, Ross families and lots of others -- some thirty thousand names. This does not cost you anything. It's free for the looking.

-----

Please read the names, dates and lineage of each family. If there are any mistakes in the names or the lineage, please write them down and give them to me so they can be corrected, or you can send them to my address: Olevia Lassiter, 1975 Altamahaw Union Ridge Road, Burlington, North Carolina, 27217 or call me (336) 584 - 6029.

Please send me any new additions during the coming year including: Births, Marriages, Deaths, Anniversaries, Awards or any kind of clippings concerning the families. I think everyone would be interested in reading about what other family members are doing in their lives.

Please send me any copies you might have of your family history. If you have only parts of it, send it, maybe others will have a link to the rest to tie it all together. I have some parts of families, but not all. I need to update as much as possible. Please include:

Full names of all (if you know them).

Birth dates of all (where born: hospital, county, city, state, etc.)

Marriage dates of all (where married: site, county, city, state, etc.)

Additional spouses (dates as well) and Divorce dates (where: county, city, state).

Death dates of all (where they died: hospital, county, city, state, etc.)

Buried: church, park, county, city, state, etc.)

I would like to have any kind of stories you might remember about your ancestors or your own family. You don't have to wait until September to send these happenings. When they do, put the information in an envelope and send it to me then. This way, you won't forget. Thanks you so much.

Olevia Ross Lassiter
