OUR MOTTO: KEEP IN TOUCH

SAINT FRANCIS'S PRAYER

"Lord make me an instrument of your peace.
Where there is hatred, let me sow love;
where there is injury, pardon; where there
in doubt, faith; where there is despair, hope;
where there is darkness, light;
where there is sadness, joy —
for it is in giving that we receive; it is
in pardoning, that we are pardoned,
and it is in dying that we are born to eternal life."

SENSE AND NON-SENSE

Every day in every way our every word and every deed preaches some kind of a Sermon.

No one will ever get to be head of his Department, Manager or President of the Company working 8 hours a day — it's the extra 10-15-20-30 and 60 minutes or more that puts him there.

It isn't the size of the dog in the fight that wins — it's the size of the "fight" in the dog that counts!

The Preacher was discussing perfection in his sermon. And in order to emphasize his point, he raised his voice and said, "Has anyone in this congregation ever heard of a perfect person?" After a brief pause a little boney fellow in the back of the church raised up and said, in a quivering voice, "Yes, I have — it was my wife's first husband."

Remember when you get a raise in salary it is not necessarily for what you have already done — more than likely it is for what the Boss hopes that you will do.
